

LANGUID

Many a school-girl is said to be lazy and shiftless when she doesn't deserve the least bit of it. She can't study, easily falls asleep, is nervous and tired all the time. And what can you expect? Her brain is being fed with impure blood and her whole system is suffering from poisoning. Such girls are wonderfully helped and greatly changed, by taking

AYER'S Sarsaparilla

Hundreds of thousands of schoolgirls have taken it during the past 50 years. Many of these girls now have homes of their own. They remember what cured them, and now they give the same medicine to their own children. You can afford to trust a Sarsaparilla that has been tested for half a century.

"One box of Ayer's Pills cured my dyspepsia." L. D. CARDWELL, Jan. 15, 1899. Bath, N. Y.

Czar of Russia.

From St. Petersburg a dispatch informs the world of a plot to assassinate the Czar. A group of students drew lots and the fatal choice fell to the lot of a son of a prominent general, whose father, being advised by his son, served notice on the Czar.

You will waste time if you try to cure indigestion or dyspepsia by starving yourself. That only makes it worse when you do eat heartily. You always need plenty of good food properly digested. Koloid Dyspepsia Cure is the result of years of scientific research for something that would digest not only some elements of food but every kind. And it is the one remedy that will do it.

Powell County Industry.

The following was clipped from the Courier-Journal and is part of an interview with W. A. McDowell, of Lexington:

"Some Eastern and Northern capital is being invested in the mountains now. President Lombard, President of a bank at Hastings, Mich., has bought a large tract of coal land in Powell county and is now building a narrow-gauge railroad to get it on the market. Cannel coal is being mined for export purposes and when the road is completed fifty cars per day will be got out. One hundred and twenty-five cars are necessary to fill a vessel, and I suppose enough coal has already been mined to fill several vessels."

We had not before heard of this coal deposit, but knew of the railroad to timber land.

FRANKFORT COURT ITEMS.

The Court of Appeals reversed the judgment of the Magdalen Circuit Court in the case of Sherman Rice v. the Commonwealth, involving the local option laws. This court holds a special act passed in 1871 invalid, and repealed by subsequent laws, and that the general law is in force in lieu of all subsequent laws, and that the act of 1871 could not be revised.

The armored cruiser New York has reached Tangier and a cable dispatch has been sent Consul General Gummere directing him to proceed at once on his mission to demand an apology for discourtesy and the payment of the claims of the United States. If the court does not appear at the seaport of Mazagan by the third week in April, then the mission will proceed to Morocco City. The claims aggregate only \$60,000.

Suppress Vice.

A committee of fifteen has sent a letter to Gov. Odell, declaring the necessity of checking social vice in tenement houses in New York.

What Two Cents Will Do.

It will bring relief to sufferers from asthma or consumption, even the worst cases. This is about what one dose of Foley's Honey and Tar costs. Isn't it worth a trial? F. C. Duerson.

Match Race.

A race has at last been made between Crescens, Charlie Herr and Boralma for \$10,000 a side, with \$20,000 added by the Readville track, making a \$50,000 purse. It will be trotted in September.

"I had piles so bad I could get no rest nor find a cure until I tried De Witt's Witch Hazel Salve. After using it once, I forgot I ever had anything like piles."—E. C. Boice, Somers Point, N. Y. Look out for imitations. Be sure you ask for De Witt's. F. C. Duerson.

In a general fight at Liberty, Tex., W. B. Duncan and his father-in-law, W. K. Waul, were shot and instantly killed by Wharton Branch a prominent attorney of South Texas.

"Last winter I was confined to my bed with a very bad cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that effected a speedy cure. I cannot speak too highly of that excellent remedy."—Mr. T. K. Houseman, Manassawey, Pa. F. C. Duerson.

Draw Nearer.

When I was a boy my mother used to send me out doors to get a birch stick to whip me with, when I had to be punished. At first I used to stand off from the rod as far as I could. But I soon found that the whipping hurt me more that way than any other; and as I went as near my mother as I could, and found she could not strike me so hard. And so when God chastens us, let us kiss the rod, and draw as near to him as we can. —Moody's Stories.

Gov. Nunez, of the Havana Province, in a letter to Dr. M. F. Coomes, of Louisville, says the Cubans will be satisfied with nothing less than independence from the United States.
